1. Membership Role Update:

We have sent a membership update form to members who have not been attending. Many of these have requested to have their membership removed. See printed list.

2. Request for membership:

Ben and Hannah Faus to First Baptist Church, Crawford, Texas

Mark and Mary Heard to First Baptist Church, Corsicana, Texas

3. Recommendation that we cease hosting non-member weddings.

Outside, non-member weddings place an undue burden upon our members and staff who have to give their time to the wedding. In most cases, we cannot be assured the people follow our guidelines. In that we are no in the wedding rental business, we feel it would be best to let go of this responsibility.
